DOWNLOAD CITATION			

• If you are asked to whether to save the file, save it to a directory where you can find it later:

Download to reference manager

If you have citation software installed, you can download article citation data to the citation manager of your choice

• Look for the downloaded ".ris" file at the bottom of your computer screen. That is the citation you are going to save to your citation manager.

Importing the Citations into EndnoteWeb

1. Login to MyEndNoteWeb

2. Click on the Collect tab

Clarivate Analytics	EndN	lote						
My References	Collect	Organize	Format	Match	Options	Downloads	Administrator Tools	
	Online Se	arch New R	eference	mport Refe	rences			
			<u> </u>					

3. Click on Import References

4. Next to File, Click on the Choose File button and find the csp.ris file you downloaded (look in F:\My Documents\Downloads)

	Clarivate Analytics	EndNote
